Creative and competitive, Timothy, 13, has an engaging sense of humor and an infectious enthusiasm for learning. The creative side of him loves to draw, while his competitive side enjoys mastering video games that require skill and intelligence.

Because his interests are so broad, Timothy would fit well with any active family. He enjoys antique cars for their "uniqueness" and loves all kinds of animals, especially snakes, gerbils, guinea pigs, and puppies. Because of that love, he hopes to find a family with pets.

Timothy hopes for a family in a town or a city, with at least one parent who likes to play video games. Mostly, though, he wants patient parents, who are kind and have a good sense of humor.

Like any teen, Timothy needs parents who can love him unconditionally as he tries to find his place in the world and grow into a responsible young man. He needs a family to support him, teach him, and provide him with a sense of purpose.

Please pray that Timothy receives a forever family to guide him into adulthood and a place to belong as he makes his way through life.

Almighty God, you gave your only Son into the care of a human family:

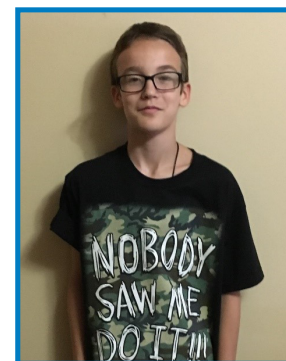

Please open the hearts of your people to all children in foster care, especially Timothy; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.

Amen
