

Please Join us in Prayer for Milen

Milen, 8, is both physically and mentally active. A sports lover, he enjoys doing just about anything outdoors. He currently lives on a farm with a foster family, which allows him the opportunity to work in the garden, play with the animals, and help with the chores.

Milen is also extremely smart. His love of reading has enabled him to develop an extensive vocabulary. The Bible is one of his favorite books, and he reads it often. He wants to be a detective when he grows up.

An only child, his foster siblings are the only ones he's known. Nor, does he have any contact with any of his biological relatives. In short, Milen has no family. Although he has a hard time understanding the concept of adoption, he wants to be in a family that loves and accepts him. He needs a place to belong.

He has expressed few preferences about an adoptive family, but he would like to continue living in the country and participating in sports. He really likes the farm and loves dogs.

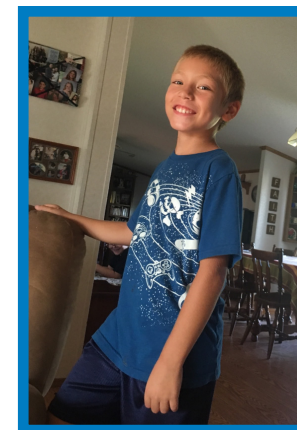

Milen needs a structured home and an understanding family to help him with his challenges. Sometimes, he has difficulty acting his age, but he really is a sweet young man. He would do best in a two-parent home. Please pray that God will connect Milen with the family he needs and deserves.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care, especially **Milen**; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your son,
Jesus Christ. **Amen**
