

Please Join us in Prayer for Aiden and Trystin

Siblings Aiden, 12, and Trystin, 6, currently reside in two separate foster homes, but they want to be together. Although they visit each other on weekends, they need more time in each other's company because these brothers are extremely close.

Pray that a forever family will choose to adopt them both because Trystin and Aiden have so much to offer.

Smart and responsible, Aiden loves fish and reptiles. He hopes to be a herpetologist when he grows up. He also enjoys spending time with family and taking his little brother fishing. Trystin is fun, inquisitive, and easy-going. He likes to play with other kids and help others. Both boys like Pokemon.

Aiden struggles with change, but he's learning to deal with it. He needs parents capable of demonstrating that they care for him and understanding that he has been through a lot.

Both brothers have said they have no preference for a family – they just want someone who will love them. Pray that God sends them a loving and stable family in which to belong.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care, especially **Aiden and Trystin**; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your son,
Jesus Christ. **Amen**
