

Please Join Us in Prayer for Zaden

Equipped with a contagious smile, natural leadership skills, and a kind and helpful heart, Zaden, 14, is looking for a place to call home.

This young man makes friends easily and interacts well with his peers and with adults – whether in school or at home. Active, he loves sports, especially football, soccer, and baseball. He also does well in school, even if he occasionally needs help staying focused and on task.

Zaden has three biological sisters, with whom he shares a strong bond. Two have aged out of foster care, and the third has been adopted. He needs a forever family that will support his need to remain in contact with his sisters. It's important to his emotional and spiritual health.

The best family for Zaden is one that will wholeheartedly accept him as one of their own. He needs a family willing to return the care, kindness, and love that he will undoubtedly share with them. Zaden needs a home where he feels included and welcome. Although he has indicated no preference, it would be nice to find a family near the Wichita area so he can more easily remain in contact with his sisters.

Please pray that Zaden finds the family he needs to thrive and meet his full human potential.

Almighty God, you gave your only Son into the care of a human family:

Please open the hearts of your people to all children in foster care, especially **Zaden**; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son,
Jesus Christ. **Amen.**
