

Please Join Us in Prayer for Amelia, Liam & Jackson

Fun loving and friendly, 4-year-old Amelia likes to dance and has mastered the art of a great spin. Something of a diva, she likes to pick out her own clothes.

Elder brother, Liam, 7, loves to fly small model planes and figure out how things work. Smart and funny, he likes to make his siblings laugh.

Five-year-old Jackson enjoys a good hug and cuddle. He's also really good at building stuff with Legos and putting together puzzles. He can already handle a 75-piece project.

All three of these beautiful children are affectionate, kind, and loving. They just need the same kind of home, a place in which to feel safe, secure, and accepted.

Although none of them has expressed a preference, they each hope for a home with animals and plenty of space to run and play.

They would do best in a two-parent family, especially one familiar with trauma. They are also deeply attached to each other, so they need to be adopted together. Please pray that they find the family they need so they can thrive, grow, and find the happiness God intends for them.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care,
especially **Amelia, Liam, and Jackson**; send parents to love them,
communities to guide them, and your Holy Spirit to nurture them into
the people you want them to be. This we ask through your Son,
Jesus Christ. Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer.

You may be one of those special people.

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
