

Please Join Us in Prayer for Peyton & Preston

Nurturing and caring, 13-year-old Peyton looks out for her brother, Preston. The siblings are so close that they desperately hope to remain together. Peyton enjoys Tik Tok, playing video games, and swimming. Sociable and caring, 11-year-old Preston likes to ride bikes, play video games, and swim. He also recently developed a love for camping.

Both children perform well in school, with 7th grader Peyton earning As and Bs, while 5th grader Preston maintains straight As. They both enjoy school and like to learn.

It's already been a rough road for these two siblings. They need an adoptive family committed to keeping them together and to meeting their needs. A highly structured and consistent environment will help them thrive.

As the children move into adolescence, they'll need parents who understand parenting teens. They should know how to address conflict in a productive and patient manner. Peyton in particular needs parents who will encourage her to be her own person and to think through choices in positive ways.

First featured last April, Peyton and Preston are still waiting for their forever family. Please pray that they find a family to love and support them both as they heal and grow.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care, especially **Peyton and Preston**; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son,
Jesus Christ. Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer.

You may be one of those special people.

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
