

## Please Join Us in Prayer for Ke'Honesty

Smart and creative, 8-year-old Ke'Honesty loves to draw and craft – and she's really good. She's also fond of dancing and music, particularly songs from the '80s and '90s.

Always considerate of others' feelings, Ke'Honesty has a sweet and social personality. A third-grader, she's right where she needs to be academically. She performs best in small classroom settings that do not overstimulate her. She attends school daily with no issues.

Ke'Honesty needs a family that can provide a structured and consistent environment, and would benefit from adoptive parents trained in trauma or who would be willing to take the training. She needs parents who can deal with her challenges in a positive and productive manner.

Most importantly, Ke'Honesty needs a family that will encourage her to be her own person and think through her decisions in a way that supports her self-esteem and long-term happiness. She needs parents she can rely on and a family that will welcome her and advocate for her needs. In short, Ke'Honesty needs a family to love her unconditionally and guide her through adolescence to happy, independent, and responsible adulthood.

Almighty God, you gave your only Son into the care of a human family:  
Please open the hearts of your people to all children in foster care,  
especially **Ke'Honesty**; send parents to love them, communities to guide  
them, and your Holy Spirit to nurture them into the people you want them  
to be. This we ask through your Son,  
Jesus Christ. Amen.

# Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

## Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer.

**You may be one of those special people.**

## Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
