

Please Join Us in Prayer for Jordan

Quiet, polite, and hardworking, 9-year-old Jordan likes to help around the house and work in the yard. He also enjoys playing video games and building with Legos.

An avid sports fan, Jordan loves playing baseball and basketball and has even attended camps for both.

He works hard in school and maintains passing grades. Although he struggles with math, his favorite subject is science because he likes to learn about new things. Jordan will enter the fifth grade this fall.

Jordan has been in foster care since 2018 and currently has supervised visits with his brother. Family therapy is recommended once he finds his forever family. He would thrive in a structured home with two parents. Jordan would also do well in a family with other children.

Please pray that Jordan finds the family he needs to heal, grow, and reach his full potential. He deserves it.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care,
especially **Jordan**; send parents to love them, communities to guide them,
and your Holy Spirit to nurture them into the people you want them to be.
This we ask through your Son,
Jesus Christ. Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer.

You may be one of those special people.

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
