for Beverly &
Franchesca

Bubbly, smart, and sweet, sisters Bev, 12, and Frannie, 13, both love sports and science because they're athletic and enjoy challenges.

Typical (pre)teen girls, they also enjoy other activities like reading, creating art, listening to music, getting their nails done, and watching funny videos.

In foster care since 2015, Bev and Frannie have never been separated and share a strong sister bond. As a result, they want and need to be adopted together. Both are ready for an adoptive family and have said they don't care what they look like. They just want someone who wants them.

They hope, however, for a large, active family with a big house and lots of siblings. Both would do well in a family that supports their love of sports and their participation in extra-curricular activities. Because of their anxiety issues, the sisters like to stay busy.

Please pray that Bev and Frannie find a forever family that will welcome them both as their own. These girls have so much potential and optimism that they need parents who will support them, love them unconditionally, and guide them into mature, fulfilled womanhood.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care,
especially **Beverly & Franchesca**; send parents to love them,
communities to guide them, and your Holy Spirit to nurture them into the
people you want them to be. This we ask through your Son,
Jesus Christ. Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer.

You may be one of those special people.

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
