

Please Join Us in Prayer for Kinsey, Draven, & Nellie

Kinsey (6), Draven (3), and Nellie (2), are three adorable siblings who need a forever family to call their own. We especially hope they can find a family willing and able to adopt them together.

Kind and a good helper, Kinsey enjoys playing outdoors, going to the park, and cooling off at the splash pad. She's a first-grader who can count and recite her ABCs. Kinsey relates well with both adults and her peers.

Draven loves all things Paw Patrol and Cocomelon. His favorite toys are cars and racetracks. Smart and sensitive, he enjoys spending time around people and listening to an adult read to him. He's also a good eater.

Sweet little Nellie is a bundle of energy who likes watching cartoons, going to the park, and playing with her siblings. She also relates well with adults and her peers. Both Nellie and Draven are in preschool.

The best adoptive match for these delightful children would be one in which they can remain together. They would do best in a two-parent family. Please pray that Kinsey, Draven, and Nellie find a family to love them unconditionally and guide them as they heal, learn, and grow.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care,
especially **Kinsey, Draven, and Nellie**; send parents to love them,
communities to guide them, and your Holy Spirit to nurture them into
the people you want them to be. This we ask through your Son,
Jesus Christ. Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer.

You may be one of those special people.

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
