## KYLE

Active and always up for something new, 13-year-old Kyle just wants a permanent home and family.

He loves to play video games and works hard to progress through the various levels. He also enjoys collecting action figures and participating in gym class. Smart and adventurous, Kyle looks for new experiences.

For the most part, Kyle interacts best around adults, although he also gets along well with male peers. He enjoys joking around and funny television shows.

Through counseling and a stable environment, Kyle has made good progress on dealing with his trauma. He also performs well in school with the proper assistance. He would do best with an active family that enjoys outdoor activities. He thrives within a home environment that is structured and loving. Family functions and holidays are especially important to Kyle.

Please pray that Kyle finds the family he needs to heal, thrive, and grow into the fulfilling life he deserves.

Almighty God, you gave your only Son into the care of a human family:

Please open the hearts of your people to all children in foster care, especially Christopher, Cylen, and Cherish; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be.

This we ask through your Son, Jesus Christ.

Amen.

# Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

## Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

## Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
