## TORI

Energetic, adventurous, and full of life, 11-year-old Tori loves to stay active and have fun with her friends.

Possessing an incredible imagination, she can spend hours writing stories or creating artwork. Although she doesn't shy away from rough and tumble outdoor play, she remains a "girly-girl" at heart. Either way, she's always willing to try activities that push her to her limits.

Tori describes herself as smart, funny, and creative, and she's always eager to lend a hand to those she cares about. She also enjoys thinking up new ways to keep her "audience" entertained.

What she desires most, though, is a loving family who will love her unconditionally and provide her with the support she needs to grow into a happy and fulfilled young woman. Please pray that she finds a forever family that will let her shine like the superstar she is.

Almighty God, you gave your only Son into the care of a human family:  
Please open the hearts of your people to all children in foster care, especially Christopher, Cylen, and Cherish; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be.  
This we ask through your Son, Jesus Christ.

Amen.

# Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

## Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

## Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
