## ROBERT

At 14 years old, Robert has already endured a lot in a short time. He longs for a family to call his own and restore magic to his life. Both kind and respectful, he enjoys playing baseball and football. He also collects football cards and Pokémon cards. Highly sociable, Robert likes to make others laugh with his quick wit and playful jokes.

He struggles emotionally at times, but he works hard to be a good role model for his younger brother. He would love to share a forever family with his brother - in a permanent home with a loving mother and father.

Robert would do best in a structured home with a consistent schedule. Stability and fairness are especially important to him. He would thrive in an environment in which he feels motivated and supported in improving himself and his grades and in which his dry sense of humor is appreciated. Please pray that this awesome young man finds the family he needs to grow into the kind of adult he hopes to be.

Almighty God, you gave your only Son into the care of a human family:  
Please open the hearts of your people to all children in foster care, especially **Robert**; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.

Amen.

# Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

## Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

## Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
