CHRISTIAN

At 12 years old, Christian is a fun-loving kid who enjoys Nerf wars and playing with toy cars. Creative and athletic, he likes to build Lego sets and play football, baseball, basketball, golf, and just about any other sport you suggest. He can usually be found playing a game of pick-up football or basketball with friends.

Christian also loves to eat and will sample virtually anything set before him ... except a few specific vegetables.

He would benefit most from a two-parent family that can give him the structure and love he deserves. He needs parents willing to work patiently with him as he develops his coping skills.

Unfortunately, Christian has spent a long time in foster care, so he really wants a forever family to call his own. He needs a family who will love him unconditionally, nurture his spirit, and help him grow to be the best possible version of himself.

Almighty God, you gave your only Son into the care of a human family:

Please open the hearts of your people to all children in foster care, especially Christian; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.

Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
