JULISSA, WILLIAM, & NEVEAH

Julissa (15), William (14), and Neveah (11) are close siblings, each with a unique personality. Warm-hearted and supportive, Julissa loves makeup, watching movies, and spending time with her pals. She's the social butterfly of the group.

Cool as a cucumber, William enjoys reading and creative pursuits. A Green Bay Packers fan, he also likes to play football and video games. A deep thinker, he's prone to ask thought-provoking questions.

Naveah likes to live by the rulebook and is such a champion of fairness and politeness that she'll often put her own needs before others. Bubbly and helpful, she likes to dance, play softball, paint, and make music.

Each of these kids is exceptional in their own right. Please pray that they find the right forever family for them, one that enables them to stay together and feel like they belong.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care, especially
Julissa, William, and Neveah; send parents to love them, communities to guide
them, and your Holy Spirit to nurture them into the people you want them to be.
This we ask through your Son, Jesus Christ.

Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
