ASHLEY

Energetic and friendly, 13-year-old Ashley loves to be outside swimming or skating. When she can't go outside, she enjoys watching anime programs on television. She would love to attend a Comic Con as her favorite anime character. She believes she also has the right voice to be an anime actor when she grows up.

Ashley can come across as shy, but she becomes more talkative as she becomes comfortable with someone. She enjoys jokes and is good at making others laugh.

Her favorite music genre is K-Pop, and her favorite color is red. She also loves animals and riding horses. Her ideal home would have a large yard and animals. Mainly, though, she needs a family that will love, nurture, and make her their own.

Please pray that Ashley finds the family she needs to thrive and grow into the young woman she deserves to be.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care, especially Ashley; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.

Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
