LIYLAH

Intelligent, driven, and determined, 15-year-old Liylah has her sights set on law school. She's an active young lady who enjoys staying busy and preparing for her future.

Liylah performs well in school and participates in extracurricular activities, including wrestling and theatre. Yet she's just as happy relaxing on the couch with a good book as hanging out with her friends.

A self-described extrovert, she's always open to an adventure. She would love to be part of a family that travels often. She also values independence and hard work and is looking for a job.

Liylah is passionate about her interests and goals and needs a forever family to support her in achieving those goals. She needs parents who care about her achievements and give her the support, encouragement, and love she needs to go as far in life as her dreams will take her.

Please pray that Liylah finds a family where she can belong and feel loved and supported.

Almighty God, you gave your only Son into the care of a human family:

Please open the hearts of your people to all children in foster care, especially Liylah; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.

Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
