JASON

Sweet, kind, and funny, 11-year-old Jason says his favorite class at school is lunch. He obviously enjoys humor - especially laughing with friends and watching funny videos. He also likes to watch movies and play video and board games. In fact, he's pretty good at board games.

Although he works hard at school, he's unsure of what he wants to be when he grows up. Yet, when asked what he's most proud of, he said, "The things I planted in the garden at my foster home."

Jason would like a two-parent home. He would do best as an only child in a structured environment. He needs patient parents who can provide constant supervision and meet his therapeutic needs. He's had a rough time in his short life, and he deserves parents who will love him unconditionally and help him realize that he has value.

This young man needs a forever family. He's been through a lot and deserves a place to belong. Please pray that Jason finds a family willing and able to help him heal and grow into a responsible and fulfilled adult.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care, especially Jason; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.
Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
