

## PLEASE JOIN US IN PRAYER

### KALIYA, KAIDEN, KRYSLENN

Kaliya, 12; Kaiden, 9; and Kryslenn, 4, are siblings who deserve and hope for a two-parent family willing and able to adopt them together. All three children do well in school and are especially close to each other and their current foster care placement.

Kaliya enjoys movies, swimming, and reading. Her brother, Kaiden, loves Star Wars, Taekwondo, and math. The youngest, Kryslenn, likes twirling, coloring, and playing outside. Each of these children is friendly, loving, and talented. They need someone to make them their own so they can thrive and grow into happy adults.

These kids have been in the foster care system most of their lives through no fault of their own. They deserve parents and a family that will love them unconditionally and support them as they heal from disappointment and trauma. Please pray that they find such a place.

Almighty God, you gave your only Son into the care of a human family:  
Please open the hearts of your people to all children in foster care, especially  
Kaliya, Kaiden, and Kryslenn; send parents to love them, communities to guide  
them, and your Holy Spirit to nurture them into the people you want them to be.  
This we ask through your Son, Jesus Christ.

Amen.

# Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

## Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

## Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
