GISELLE

Bubbly, talkative, and funny, Giselle is an artist who enjoys coloring and working on arts and crafts. She also loves music and sings whenever she gets the chance. She participates in school choir and hopes to expand her singing skills. She also likes band and has excelled in competitions.

Giselle's other favorite activities include dressing up, dancing, boxing, swimming, and, most importantly, sleeping. Her biggest wish is to own a horse someday. Giselle loves life, being active, and brightening others' days. She has a great big heart and deserves a family with big heart as well.

If adopted, Giselle would like to maintain contact with her biological siblings and appropriate birth family members. She would thrive in a home with one or two adult female members. Mostly, she needs a family that will nurture, guide, and advocate for her as she grows into adulthood. She will benefit from structure and plenty of love.

To learn more about Giselle and other Texas children needing adoptive families, contact Saint Francis Ministries at TxReg1Adoption@st-francis.org.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care, especially
Giselle; send parents to love them, communities to guide them, and your Holy
Spirit to nurture them into the people you want them to be. This we ask through
your Son, Jesus Christ.

Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
