

FAMILY CENTERED TREATMENT®

KEEPING FAMILIES TOGETHER

A proven, evidence-based method of intensive in-home therapy. FCT emphasizes empowering the entire family to forge a resilient, healthy future together.

- Services are provided directly in the home.
- Must be enrolled in Medicaid and PASSE Tier 2 or 3 to participate.
- Families may self-refer or be referred by a healthcare provider.
- Confidential, family-centered, and tailored to your family's strengths and needs.
