ANGEL

Eager to find his forever family, Angel is an energetic, curious, and fun-loving child. His warm nature makes him a joy to be around. Although he can be shy meeting new people, he quickly warms to those he trusts.

Swimming is one of Angel's favorite activities, and he looks forward to trips to the pool. When he's not in the water, he loves to play outside, riding his scooter, and enjoying the fresh air. Indoors, he enjoys Pokémon and playing with his Legos and likes to consider himself a master Lego builder.

Angel hopes to be adopted into a two-parent family that enjoys spending time together, dining out, taking trips, or simply engaging in outdoor activities. He would do well as the only child or the youngest, where he can receive focused support and guidance. With the right family dynamic, Angel will flourish and receive the love, structure, and attention he needs and deserves.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care, especially Angel; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.

Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
