

ZACHARY

Imaginative and smart, 13-year-old Zachary likes to read and demonstrate his skill with trivia and fun facts. Curious about everything, he also enjoys playing video games and watching movies and YouTube videos. He hopes to make YouTube videos about gaming. His favorite outdoor activity is soccer.

Zachary is empathic and possesses a deep willingness and desire to learn. He's also sensitive and needs adult support in peer interactions. His favorite classes in school are gym, science/chemistry, and technology.

Zachary is a bright and kind young person who deserves a loving family that will support and advocate for him. He would thrive with a family that encourages him in his efforts, provides structure, and sets loving boundaries within the home. Please pray that Zachary finds the family he needs to feel welcomed and loved.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care, especially Zachary; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.

Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
