## MYLES

Myles, 12, is a kind and cheerful young man who lights up any room he enters. He approaches everything with joy and excitement. Playing video games is one of his favorite activities, but he also loves playing sports and having fun outdoors.

Imaginative and creative, Myles likes to create his own stories about anime cartoon characters. He's always coming up with new adventures for his favorite characters. Myles is focused and dedicated to his studies in school, and he does a good job balancing his academic responsibilities with his hobbies and interests.

Myles also loves food; his favorites are pizza and noodles. With his bright personality, playful imagination, and positive outlook, Myles has a promising future. He just needs a forever family to welcome and love him as their own. Please pray that Myles finds the family he needs to thrive, grow, and enjoy the life he deserves.

Almighty God, you gave your only Son into the care of a human family:  
Please open the hearts of your people to all children in foster care, especially Myles; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.  
Amen.

# Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

## Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

## Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
