## PABLO & JUANA

Siblings Pablo, 13, and Juana, 4, share an extraordinary bond. Pablo's connection to his little sister is special, and he takes great pleasure in caring for her. He feels a strong sense of responsibility for her safety and happiness.

Juana, in turn, is deeply comforted by Pablo's presence. Sweet and loving, she trusts Pablo and expresses her affection for him by touching his face and arms. This brother and sister thrive when together, so it's important they find a forever family that can adopt them both.

Juana and Pablo need a stable, loving home where they can flourish. A two-parent home would work best for them. Pablo also enjoys sports, so he would love a family that shares his interest. Most importantly, however, he hopes for a home with his little sister. Please pray that they find a family willing and able to accept them both and to make them their own.

Almighty God, you gave your only Son into the care of a human family:  
Please open the hearts of your people to all children in foster care, especially Pablo and Juana; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.  
Amen.

# Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

## Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

## Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
