CALEB

Bright, curious, and determined, 14-year-old Caleb has a natural enthusiasm for life. One of his greatest passions is dinosaurs, and he collects action figures of his favorites. He also loves spending time outdoors and participating in outdoor activities like camping and frog hunting. He appreciates the beauty of nature.

Caleb also performs well in school. He enjoys it and interacts well with his peers. With excellent social skills and an exuberant sense of humor, he easily makes friends. At home, he pitches in with household chores and enjoys contributing to the home.

Caleb would make a wonderful addition to any family. Please pray that he finds a family to give him the support, encouragement, and love he needs to continue thriving.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care, especially Caleb; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.
Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
