ALISSA

Kind-hearted and artistic, Alissa's gentle spirit and deep compassion make her truly special. Whether it's through drawing, painting, or exploring new creative outlets, Alissa finds fulfillment in the arts.

She dreams of becoming an ultrasound technician, a goal that reflects both her interest in science and her desire to help others in a meaningful way. With the right support and encouragement, there's no doubt she can turn this dream into reality.

Alissa is a loving, caring young girl with a big heart and even bigger dreams. Deeply connected to the people in her life, she is always looking for ways to build meaningful relationships. Please pray that Alissa develops the most meaningful relationship of all – a family and home to call her own.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care, especially Alissa; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.
Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
