## KYLER

Happy-go-lucky, creative, and imaginative, 13-year-old Kyler has a smile that melts hearts. Full of energy, he's always happy to engage with the people around him. Curious and insightful, he enjoys asking questions and inventing entertaining stories.

Kyler has an eagerness for fun and play and loves to spend time outdoors. He is easily entertained playing with his toys by himself in his room or with other children. His favorite activities are playing with Pokémon or building things with his Legos.

Always on the go, he's quite sociable. You might even call him a social butterfly. Kyler would make a joyful addition to any family. Please pray that he finds a forever family to love him unconditionally and make him their own. He deserves to be loved and cherished. He deserves a place to call home.

Almighty God, you gave your only Son into the care of a human family:  
Please open the hearts of your people to all children in foster care, especially Kyler;  
send parents to love them, communities to guide them, and your Holy Spirit to  
nurture them into the people you want them to be. This we ask through your Son,  
Jesus Christ.  
Amen.

# Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

## Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

## Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
