LIYLAH

Bright and ambitious, 15-year-old Liylah dreams of attending law school one day. She's already on the right path—excelling in school and participating in a variety of extracurricular activities. Wrestling and theater are two of her favorites.

A self-described extrovert, Liylah enjoys spending time with friends and is always up for an adventure. She'd love to travel the world but is just as content curling up with a good book at home.

Driven and passionate, Liylah approaches life with focus and determination. She deserves a family who will celebrate her dreams and encourage her every step of the way. With the right love and support, there's no limit to what she can achieve.

To learn more about Liylah and other Texas children needing adoptive families, contact Saint Francis Ministries at TxReg1Adoption@st-francis.org.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care, especially Liylah; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.
Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
