MARIAH

One of 15-year-old Mariah's greatest passions is dance. Whether she's choreographing intricate routines or simply swaying to her favorite songs, movement is how she expresses her joy and creativity. Her love of dance is just one of the many ways she shines.

Mariah dreams of joining a family that shares her cultural background and values. She would thrive in an active, engaging home – one that enjoys outings, honors family traditions, and spends meaningful time together.

She needs a family that appreciates her determination, intelligence, and lively spirit. Please pray that Mariah finds a supportive, nurturing family – one that offers clear guidance and loving boundaries to help her truly flourish.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care, especially Mariah; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.
Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
