## MYLES

Kind and cheerful with a vibrant personality, Myles loves to play video games and watch movies in his free time. Still, he doesn't spend all day in the house. He's an active child and always eager to play outside and engage in physical activities.

His passion for anime cartoons fuels his imagination, and he often creates fun stories and ideas based on his favorite shows. Known for his polite nature, Myles is respectful to those around him. He performs well in school, focusing on his studies while balancing his hobbies and interests.

One of Myles' greatest joys is food, and he has a particular love for pizza and noodles. His playful spirit and positive attitude make him a joy to be around. His enthusiasm for life is contagious to everyone he meets. Please pray that Myles finds a family to love him and make him their own.

Almighty God, you gave your only Son into the care of a human family:

Please open the hearts of your people to all children in foster care, especially Myles; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.

Amen.

# Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

## Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

## Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
