GENEVA

Sixteen-year-old Geneva is bright and spirited, with a warm heart and a flair for style. She loves expressing herself through fashion and enjoys getting her hair and makeup done. Naturally friendly and loyal, Geneva connects easily with others and makes friends wherever she goes. She brings positive energy into every space she enters.

She's both focused and motivated, which will serve her well when she studies nursing after high school. Her compassionate personality and determination make her well-suited for a profession dedicated to helping others.

Geneva would thrive in a family that is warm, supportive, and values both togetherness and independence. A family that enjoys spending quality time together, whether through family outings, camping trips, or simply unwinding at home, would be the perfect fit for her.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care, especially Geneva; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.

Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
