HAROLD

Kind-hearted and thoughtful, Harold is 16 years old and prefers to go by "Rey." He enjoys staying busy and engages in activities that spark his interest, whether it's a personal hobby, a hands-on task, or something new to explore.

One of Rey's greatest passions is football. He loves watching games, cheering on his favorite teams, and discussing strategies and players with others. Football isn't just a sport to him; it's a way to connect, think critically, and enjoy community.

Rey also has a strong appreciation for music and has played the clarinet in his school band. That experience taught him discipline, focus, and teamwork. He's also an avid Harry Potter fan and dreams of owning the entire book series someday. He loves imaginative storytelling.

Rey would make a wonderful addition to any family. Please pray that he finds one to welcome him as their own.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care, especially Rey;
send parents to love them, communities to guide them, and your Holy Spirit to
nurture them into the people you want them to be. This we ask through your Son,
Jesus Christ.
Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
