

TEXAS HOME VISITING

KEEPING FAMILIES TOGETHER

A free service for families who need additional parenting support, help with disruptive child behaviors, or improved family relationships.

Eligible families reside in McLennan or Bell County and have at least one 0-5-year-old child at home.

- Services are provided directly in the home.
- Available in both English and Spanish.
- Families can self-refer.
- Confidential, family-centered, and tailored to your family's strengths and needs.
