## ISAIAH, JZIAH, AND DOMONIC

Isaiah, 7, Jziah, 5, and Domonic, 4, are three precocious, active brothers who hope to find a family to adopt them together. Isaiah loves soccer and football, playing outside, and trips to the zoo and skate park. Jziah likes basketball, swimming, and watering plants. Domonic likes all sports, as well as hula-hooping. All three boys have an infectious sense of humor.

All three enjoy school and spending time with their friends. Jziah is in kindergarten and thinks it's neat that he gets to attend the same school as his older brother. The brothers are currently placed together in foster care and need to be adopted together. They have an older sister who was adopted by their maternal grandmother in Texas. Unfortunately, they don't have the same option.

These are really good boys who deserve a life together. With structure, love, and attention, they will thrive and enliven any home. Please pray that they find the family they need.

Almighty God, you gave your only Son into the care of a human family:  
Please open the hearts of your people to all children in foster care, especially  
Isaiah, Jziah, and Domonic; send parents to love them, communities to guide  
them, and your Holy Spirit to nurture them into the people you want them to be.  
This we ask through your Son, Jesus Christ.

Amen.

# Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

## Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

## Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
