SEANNE

Seanne, 8, is an energetic and happy child whose lively spirit brings joy to everyone around her. She loves staying active and is always ready for her next adventure, whether it's exploring outside or jumping into a fun activity. Seanne also enjoys quieter moments, especially when she can sit down with a good book and let her imagination wander through stories.

Intelligent and creative, she possesses a natural curiosity about the world. Seanne loves asking questions and learning new things. Her creativity shines through in many ways, especially in her love for arts and crafts.

Seanne naturally keeps others entertained with her humor and charm. Seanne loves making people laugh and often goes out of her way to bring smiles to those around her. Bring a smile to Seanne's face with a new forever family to love her and help her heal and grow.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care, especially Seanne; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.

Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
