

KAYVEONIA

Kayveonia, 11, is intelligent; she learns quickly, is artistic, generous, and has robust communication skills. In her spare time, Kayve enjoys skating, running, reading, drawing, and spending time with her friends.

Mathematics is her favorite school subject because she likes solving problems. She works hard in class and is proud of her grades and the effort she puts in to earn them. She is unsure about what she wants to do for a living when she grows up.

Kayve is happy in her current foster home, but she hopes for a forever family she can call her own. She struggles with impulsiveness, so she needs a home that can provide structure and ensure she continues to receive the therapy she needs.

She would be happiest in a home with a single mother and siblings. Kayve will thrive in a safe environment where she feels loved and cared for. Please pray that she finds the family she needs so she can continue to grow into the exceptional adult she has the potential to be.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care, especially Kayveonia; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.
Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
