

## HUNTER

Sweet, loving Hunter, 13, likes to stay busy. He enjoys playing video games and watching videos on his tablet, spending time outdoors, and practicing karate. He has a great sense of humor and loves “knock, knock” jokes and funny cat videos.

Hunter is proud of his grades and loves science. Someday, he hopes to become a physics teacher.

For now, Hunter hopes for a forever family. He would thrive in a two-parent home with plenty of routine and consistency. He needs patient parents who will advocate for his educational needs. Hunter has two siblings living in other homes, and he deeply values his connection with them.

Hunter has already overcome a great deal in his young life. He deserves people who will love and support him as he grows into the fine adult he can become.

Please pray that Hunter finds the perfect family, one who understands him and welcomes him as their own.

Almighty God, you gave your only Son into the care of a human family:  
Please open the hearts of your people to all children in foster care, especially  
Hunter; send parents to love them, communities to guide them, and your Holy  
Spirit to nurture them into the people you want them to be. This we ask through  
your Son, Jesus Christ.  
Amen.

# Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

## Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

## Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
