PLEASE JOIN US IN PRAYER

CHRISTOFER

Life, so far, has been challenging for seven-year-old Christofer. He has already experienced significant instability and trauma in his life, and he needs a family to love him unconditionally and welcome him home.

In school, Christofer enjoys hands-on, interactive learning environments. He also possesses a strong ability to build meaningful bonds with caregivers and build relationships over time.

He benefits from structured play, routine, and engaging with others. Playfulness and positive attention make him laugh.

Christofer desires connection and attachment and would benefit from placement with an experienced, trauma-informed family who can provide structure and a consistent home environment.

Please pray that this young boy will find a forever family to cherish him and support his ongoing growth and development. He deserves the best the world offers, including a chance to grow into a happy and fulfilled adult.

Almighty God, you gave your only Son into the care of a human family:
Please open the hearts of your people to all children in foster care, especially Christofer; send parents to love them, communities to guide them, and your Holy Spirit to nurture them into the people you want them to be. This we ask through your Son, Jesus Christ.
Amen.

Fostering in Faith

Each of us has a story. It's our own, yet it is richly interwoven with relationships and connections. Those connections can turn our personal stories into a larger, shared story. We create our story by giving voice to our shared human experience - by praying in solidarity for our brothers and sisters, by connecting our empathy to action, and by sharing our resources, our gifts, and ourselves with each other.

Pray ...

This loving ministry provides a way for congregations, faith communities, and individuals to pray for children in need of adoptive families. We know that most congregations have within their fellowship persons to whom God has given a spirit for intercessory prayer. **You may be one of those special people.**

Connect ...

By reaching out to local congregations and church leaders, Saint Francis hopes to build relationships. By connecting, we can collaborate in creative ministries, address local needs, and share insights and experience. **Together, let's begin "our" story.**
